A Milwaukee County judge denied an insanity plea for one of two women charged in the torture and starvation death of 7-year-old Trevion Winningham. Journal Sentinel, March 7 (Wisconsin) <https://is.gd/x1H1KR>

## IMPROVED SUPPORTS

**41. Here's How Ice Cube is Taking Action and Raising Money For Autism.**

Ice Cube has recently dipped back into his own music catalog, this time to breathe new life into his classic track "It Was a Good Day," revamping the single all for a good cause. Bet.com, March 5. <https://is.gd/t7BeOn>

**42. Sequencing thousands of whole genomes yields new autism genes.**

An analysis of whole-genome sequences from more than 5,000 people has unearthed 18 new candidate genes for autism. The study, the largest yet of its kind, was published today in *Nature Neuroscience*<sup>1</sup>. spectrumnews.org, March 6. <https://is.gd/Em0Q7g>

**43. What You Never Knew About Raising Special Needs Kids.**

As the mom of a special needs kid, I was shocked to read recently that two Harvard Law School

administrators were recently charged with criminally defrauding special needs students of \$110,000 since 2013. LifeZette.com, March 7 <https://is.gd/hnBbRB>

- 44. Masculinity Becomes Asperger's Syndrome.** My five-year-old son was recently diagnosed with Asperger's. One of the red flags noted by his speech therapist, and then by the psychologist who diagnosed him, is that he "can't play pretend." The Thinking Housewife, March 7 <https://is.gd/xJJ5Zg>
- 45. Antipsychotic Adherence Boosted by Financial Incentives.** Patients with psychotic disorders have better compliance with their depot medication treatments when they receive modest financial incentives for adherence, found a recent study. Psychiatry Advisor, March 8. <https://is.gd/XE4tzh>
- 46. New book outlines how autism is reshaping special education.** Dive Brief: School districts have long been asked to give special education students access to an appropriate curriculum, but a new book highlights the more modern call for approaches that lead to academic success. Education Dive, March 6. <https://is.gd/4zqybt>
- 47. Sunshine School and Development Center Celebrates Successes Every Day.** For nearly 60 years the Sunshine School and Development Center has worked to help folks of all ages achieve more in their lives in spite of their disabilities. This Northwest Arkansas ray of sunshine has helped create firsts for so many over the years. nwahomepage.com, March 7 (Arkansas) <https://is.gd/Z9QLqd>
- 48. Cloquet Man Hopes For All-Terrain Wheelchair.** Father Wishes to Spend More Time With His Kids. Fox21online.com, March 2 (Colorado) <https://is.gd/dlGPIQ>
- 49. Study reveals frustrations with special education in District 41.** A review of special education programs in Glen Ellyn Elementary District 41 shows deep frustrations among some parents and apparent inconsistencies in instruction. Daily Herald, March 7 (Illinois) <https://is.gd/2bGqc3>
- 50. How Maryland legislators can fix a problem one mother found with special education.** I recently wrote a post about Katherine Spurlock, a former public school teacher who moved to Montgomery County, Md., from a tiny school district in New York and discovered shocking about special education. The Washington Post, March 2 (Maryland) <https://is.gd/ssD7pp>
- 51. Study identifies protein as target to treat autism.** Researchers found a protein that appears to play a role in the behavioral, as well as physiological, symptoms of autism spectrum disorder. UPI, March 8 (Michigan)

<https://is.gd/oKVnPP>

- 52. MU Student Health Center to start billing for office visits, psychology appointments.** The MU Student Health Center will begin billing students for office visits starting July 1. This change is tied to rising health care costs, according to an email sent from the MU Student Health Center. *Missourian*, March 7 (Missouri) <https://is.gd/OlagLo>
- 53. Nebraska to cut staff in developmental disabilities agency.** Nebraska officials have announced plans to cut 39 jobs at a Beatrice facility for people with developmental disabilities and transition residents out of a state program in Hastings. *The Washington Times*, March 7 (Nebraska) <https://is.gd/A5n6Fy>
- 54. State insists cuts at Beatrice State Development Center about care, not state budget.** State officials insist a move to downsize the Beatrice State Developmental Center has nothing to do with the state budget and everything to do with the treatment of the developmentally disabled. *nebraskaradionetwork.com*, March 8 (Nebraska) <https://is.gd/Nd9tIN>
- 55. An inside look at life in a community residence for disabled.** From the outside, the semi-attached residence near the corner of Dongan Hills Avenue looks like your average Staten Island home: The grass is manicured, garbage pails are near the curb and curtains hang in the windows. *silive.com*, March 6 (New York) <https://is.gd/h1iUNz>
- 56. Column: Time to stop putting kids with disabilities in adult prisons.** North Carolina is one of only two states in the nation that continue to treat 16- and 17-year-olds as adults in the criminal justice system — no matter how minor the offense. *Citizen-Times*, March 5 (North Carolina) <https://is.gd/tQTtQS>
- 57. NH Struggling to Solve Psychiatric Problem.** Long waits for New Hampshire residents seeking mental health care has become a new normal much to the dismay of advocates. *usnews.com*, March 6 (New Hampshire) <https://is.gd/vFGPX0>
- 58. For those with disabilities and special needs, enhancing life.** Scenic Hudson operates Hudson Valley parks that are accessible to people with disabilities. *Poughkeepsie Journal*, March 4 (New Jersey) <https://is.gd/eEwFA4>
- 59. Yoga is an effective antidepressant drugs for treating depression, study claims.** New York: If you are diagnosed with depression, just take a deep breath and join yoga classes to experience significant reduction in symptoms without the side effects associated with antidepressants, new research suggests. *Newsheads*, March 4 (New York) <https://is.gd/TekgOo>

- 60. Judge approves policies on how Cleveland police deal with the mentally ill.** The federal judge overseeing Cleveland's police reform approved a set of policies on Monday designed to guide officers on how to deal with people suffering a mental health crisis. cleveland.com, March 6 (Ohio) <https://is.gd/oWdFTn>
- 61. Local families learn developmental disabilities don't have to mean dependence.** When Joe Laage's older sister graduated from high school and left for college, he naturally started asking when it would be his turn to live on his own. wcpo.com, March 7 (Ohio) <https://is.gd/NJJYnl>
- 62. Remote monitoring of Ohio's disabled saves money, fills need.** Technology helps Lori Bolton feel safe at home when no one else is around. Bolton, 41, has developmental disabilities and health issues that in the past required around-the-clock staff help from the Licking County Board of Developmental Disabilities. The Columbus Dispatch, March 8 (Ohio) <https://is.gd/5Jiqid>
- 63. Local wheelchair basketball team hoping to go to nationals.** A Rogue Valley basketball team is inspiring youth up and down the West Coast, visiting one school at a time. It's not just their moves that are eye-catching, it's how they move that has everyone mesmerized. kobi5.com, March 6 (Oregon) <https://is.gd/nLei93>
- 64. New prosthetics and orthotics clinic offers compassion, amputee support. Alex St. Louis said amputees are like fingerprints.** Each person has their own story and specific needs. When it comes to prosthetics and orthotics, such as artificial limbs, braces and other devices, St. Louis is hoping the new downtown clinic, Evergreen Prosthetics & Orthotics, meets the needs of the Longview-Kelso community. The Daily News, March 6 (Oregon) <https://is.gd/2knxf0>
- 65. Pennsylvania's Special Needs Children at Risk from Medicaid Overhaul, Advocates Say.** Changes proposed by the Republican Congress would be the most sweeping in a decade, advocates say, and threaten more than \$140 million for Pennsylvania children. nbcphiladelphia.com, March 7 (Pennsylvania) <https://is.gd/MAz47D>
- 66. Living with a disability is living nonetheless, advocates say.** Brenda Dare is sick of going to funerals for people with disabilities and hearing others say that the person who died is in a better place. Standard-Times, March 4 (Pennsylvania) <https://is.gd/Yh1Kfl>

**67. People with autism, intellectual disabilities fight bias in transplants.**

Paul Corby, 27, who is autistic and suffers from several psychological conditions, was rejected for a heart transplant by the University of Pennsylvania Health System. The Washington Post, March 4 (Pennsylvania) <https://is.gd/3rA3kd>

**68. Social Media Exacerbates Perceived Social Isolation.**

One of the ironies of overusing social media is that instead of making someone feel more socially connected, the latest research suggests that heavy use of social media can exacerbate feelings of social isolation. Psychology Today. March 7 (Pennsylvania) <https://is.gd/ydY996>

**69. Dallas: language issue affects Hispanic special education students.**

A review finds some Hispanic students in Dallas have struggled to get special education services because of language issues, but there's no evidence of intentional exclusion. ktxs.com, March 4 (Texas) <https://is.gd/MsxlBU>

**70. Special Education Services changing in Texas.**

The future of special education services in Texas is changing. As of now, only 8.5 percent of students can enroll in special education classes. kfdm.com, March 8 (Texas) <https://is.gd/BTdxwJ>

**71. Make Texas nursing homes safe.**

Ninety-three thousand: That's about how many people reside in Texas nursing facilities. Fewer people live in Galveston, Georgetown, Temple, Sugar Land and more than 1,000 other Texas cities and towns. TribTalk, March 7 (Texas) <https://is.gd/g1SjXi>

**72. New College Course For Autistic Students Offers Possibilities.**

A new class at Tarrant County College's Southeast Campus is opening doors of possibility for students with autism. The class of early 20 students meets twice a week to learn computer animation. nbcdfw.com, March 7 (Texas) <https://is.gd/g73ZB1>

**73. Their Voice: Two athletic programs available to kids with developmental disabilities.**

With the exception of a small number of very dedicated runners, it seems that winter has a way of forcing everyone indoors... This is not always the case when it comes to children with developmental disabilities. Daily Herald, March 4. (Utah) <https://is.gd/cOAEj>

**74. Parents, private schools wary of shifting special education funds in Virginia.**

The state will spend the next eight months studying ways to bring under control a part of the budget that's currently growing unchecked. Richmond Times-Dispatch, March 2 (Virginia) <https://is.gd/99klL8>

**75. Building life skills for students with special needs.** In Mollie Rutledge's class, you learn by doing. That's the idea behind a new initiative at E.B. Stanley Middle School that focuses on building life skills for students with special needs. swvatoday.com, March 8 (Virginia) <https://is.gd/h9M6av>

**76. Mental health clinic and rooming house put on hold by Plan Commission.** After a lengthy discussion Wednesday, the City Plan Commission put on hold a decision on an outpatient mental health clinic at 3710 Douglas Ave. The Journal Times, March 9 (Wisconsin) <https://is.gd/gfSubr>

## Law and Legislation

**77. 23 STATES WITH PENDING BILLS ON SCHOOL BUS SEAT BELTS, FUNDING.** The following are the latest bills that were introduced in January 2017. According to LegiScan, state government websites and the State Traffic Safety Legislation Database, 23 states have pending and failed legislative to approve seat belts, school transportation and school bus funding. School Transportation News, March 8. <https://is.gd/Pt7T6o>

**78. Lawmakers Review Bill to Require Autism Coverage in Alabama.** Lawmakers are reviewing a bill that would require insurance companies to pay for autism therapy in Alabama. usnews.com, March 9 (Alabama) <https://is.gd/gDHdBq>

**79. Sonoma Developmental Center closure needs careful scrutiny.** California's nonpartisan legislative analyst is again raising some red flags about plans to close the Sonoma Developmental Center. The Press Democrat, March 8 (California) <https://is.gd/WIQz3F>

**80. Brentwood: Entire special education board resigns in protest.** The entire executive board of a special education advisory committee at Brentwood Union School District resigned on Thursday morning in protest against new bylaws that they say are discriminatory and exclusionary. East Bay Times, March 2 (California) <https://is.gd/x7uW2r>

**81. Setting the Record Straight on Gorsuch and Disabilities.** A major wire service recently published a story claiming that "Neil Gorsuch has embraced a bare-bones standard of education for disabled children." Nationalreview, March 4 (Colorado) <https://is.gd/lf5jRN>

**82. After State's Disability Rights Office Is Disbanded, A New Approach**

**Taking Shape.** Tom Fiorentino, parent and board president, The Arc Connecticut, opposes a plan to move the abuse investigations unit inside the state department that oversees services to people with intellectual disabilities. Hartford Courant, March 9 (Connecticut) <https://is.gd/VHEwXX>

**83. Report Released on Abuse of Iowa Residents With Disabilities.**

An investigation of verbal and physical abuse at the Glenwood State Resource Center has found that employees were poorly trained and lacked supervision. usnews.com, March 7 (Iowa) <https://is.gd/1v7yuV>

**84. Disability rights advocates arrested at state Capitol.**

Disability rights advocates say they're fed up with what they say is a lack of response from Gov. Andrew Cuomo on funding for services that help them stay in their communities, including a lack of funds to pay home health care workers adequate wages. wxxinews.org, March 7 (New York) <https://is.gd/1rXPnK>

**85. Column: Time to stop putting kids with disabilities in adult prisons.**

North Carolina is one of only two states in the nation that continue to treat 16- and 17-year-olds as adults in the criminal justice system — no matter how minor the offense. Citizen-Times, March 5 (North Carolina) <https://is.gd/tQTtQS>

**86. South Dakota Developmental Center Workers Vote to Unionize.**

Workers at the South Dakota Developmental Center in Redfield have voted to join the American Federation of State, County and Municipal Employees. usnews.com, March 9 (South Dakota) <https://is.gd/AO5Hjc>

**87. Some KISD parents unhappy with special education video**

**monitoring policy.** Some Killeen parents are unhappy with at least a portion of Killeen Independent School District's policy related to special education video monitors. Killeen Daily Herald, March 4. (Texas) <https://is.gd/ICuAXI>

**88. Bill to bar death penalty for mentally ill faces uphill battle.**

Bill to bar death penalty for mentally ill faces uphill battle. Texas Tribune, March 8 (Texas) <https://is.gd/WcQWM9>

**89. TEA to put end to enrollment 'cap' for special needs kids.**

Advocates are claiming victory after they said the Texas Education Agency has pledged to repeal a clause that puts a de-facto enrollment 'cap' on special needs kids at Texas school districts. kvue.com, March 6 (Texas) <https://is.gd/b5y9SJ>

**90. Disability Rights Groups Oppose Obamacare Repeal.** As Republicans in the House unveil details of a plan for repealing Obamacare, opposition continues to mount. Disability rights groups have been adding their voices to the mix. kpbs.org, March 7 (Washington DC) <https://is.gd/jebI0U>

**91. Dems Blast Gorsuch's Record On Workers, Disability Rights.** Senate Democrats on Tuesday pounced on Judge Neil Gorsuch's decision in a disability rights case involving a cancer-stricken college professor to paint the judge as an "ultraconservative" unfit for the Supreme Court, trying to foment opposition to his nomination ahead of confirmation hearings taking place later this month. Law360, March 7 (Washington DC) <https://is.gd/eNvxH4>

## INTERNATIONAL ARTICLES

**92. Forcing sex theory even on the intellectually disabled.** The gender ideologues show no mercy to even the most helpless. Not just children, but intellectually disabled children must be harranged: Teenagers with intellectual disabilities are being exposed to complex and contentious gender and sexuality theory... Herald Sun, March 6 (Australia) <https://is.gd/ua5FRX>

**93. This Website Is A TripAdvisor For People With Disabilities.** For most of us, finding out whether or not a restaurant really does have the best pasta in town is just a quick Yelp search away. But if you have a disability, good quality food might not be the *only* thing on your mind. refinery29.com, March 6 (Australia) <https://is.gd/GFaACf>

**94. Man on trial in Townsville for raping mentally-impaired woman.** A man who allegedly raped the daughter of an ex-partner who suffers from a significant mental impairment has pleaded not guilty to two charges, a district court has heard.
