Re: Disability and Guardianship Project

Dear Mr. Coleman,

I am acknowledging receipt of your letter and additional materials sent to the Pennsylvania Supreme Court regarding access and effective advocacy services in guardianship proceedings, as concerns adults with intellectual and developmental disabilities.

Given the issues raised in your letter, I am asking the Advisory Council on Elder Justice in the Courts to add the issues you raise to their further work. The Advisory Council is a "follow-through" group, as recommended by the Judiciary's Elder Law Task Force.

Thank you for bringing these concerns to the Pennsylvania Judiciary's attention.

Sincerely,

A handwritten signature in black ink, appearing to be "T. Darr", followed by a horizontal line.
